

NATIONAL CONSTITUTION CENTER

VISIT • LEARN • DEBATE

If you're interested in the first and only institution in America established by Congress to "disseminate information about the United States Constitution on a non-partisan basis in order to increase the awareness and understanding of the Constitution among the American people" then you should join the History Club for our first trip of the Fall 2017 semester. Come see one of the surviving copies of the Bill of Rights, and see the first copy of the U.S. Constitution as the American people saw it for the first time.

Did we mention you get to walk around Signers Hall and take selfies with Alexander Hamilton, George Mason, and Ben Franklin?
